Action GW7KDU

3: Matters Arising from Previous Minutes.

- Update to Spectrum for novel modes required.

4: Process update from M0ZAH

M0ZAH gave the committee an update on the process improvements that are currently in progress.

5: AOB

- We need a way of retrieving data for delisted repeaters.
- We no longer require mobile numbers but we should “invite” keepers to provide their number to help with applications. Numbers to be encrypted on the VMS.
- An application for an SSB in Sheffield has been received.
- Enquiries have been made about a paging system on 2m.

- Off air repeaters to be reviewed after 180 days.

9: Date of next meeting

Saturday 25th October 14:00 to be held via Signal.
