

Privacy policy

Introduction

This privacy policy sets out how the RSGB Emerging Technology Coordination Committee ("RSGB ETCC") uses and protects any information that you give the RSGB ETCC when you use this website.

The RSGB ETCC is committed to ensuring that your privacy is protected.

Should we ask you to provide certain information by which you can be identified when using this website, then you can be assured that it will only be used in accordance with this privacy statement.

The RSGB ETCC may change this policy from time to time by updating this page.

You should check this page from time to time to ensure that you are happy with any changes.

This policy is effective from 1st April 2014.

Data controller for this website

The data controller for this website is Radio Society of Great Britain, 3 Abbey Court, Fraser Road, Priory Business Park, Bedford MK44 3WH.

What data we collect

We may collect the following information:

- Name, callsign and Ofcom Amateur Radio Licence number
- contact information including email address, postal address and telephone numbers
- other information relevant to the operation and licensing of Amateur Radio Repeaters, Internet Gateways, Beacons and datacommunications nodes

What we do with the information we gather

- internal record keeping
- provision of information to Ofcom for the issue of Notices of Variation (NoVs) to the Amateur Licence
- to assist users of Repeaters we will use the information provided to display pertinent details relating to their operation including Repeater/Beacon callsign, frequencies in use, general location and predicted area of coverage
- we may also display the actual position of the Repeater/Beacon installation unless instructed otherwise by you.

Security

We are committed to ensuring that your information is secure.

In order to prevent unauthorised access or disclosure, we have put in place suitable physical, electronic and managerial procedures to safeguard and secure the information we collect online.

Cookies

Cookies are not used on this website other than for session control in our application forms and for our Bulletin Board facility. The site does NOT store information for targeted advertising purposes.

Links to other websites

Our website contains links to other related websites, for example repeater groups. However, once you have used these links to leave our site, you should note that we do not have any control over that other website and generally these links are opened in a new browser tab.

Therefore, we cannot be responsible for the protection and privacy of any information which you provide whilst visiting such sites and such sites are not governed by this privacy statement.

You should exercise caution and look at the privacy statement applicable to the website in question.

Controlling your personal information

You may choose to restrict the display of the actual location and coordinates of your Repeater/Beacon/Gateway/Datacommunications Node by contacting us at any time, and you may change your mind in this regard also by contacting us

in writing to or emailing us at mailbox@ukrepeater.net

We will not sell, distribute or lease your personal information to third parties unless we have your permission or are required by law to do so.

You may request details of personal information which we hold about you under the Data Protection Act 1998.

A fee of £10 will be payable and the details will be provided within 6 weeks of your request.

If you would like a copy of the information held on you please write to The Data Controller, Radio Society of Great Britain, 3 Abbey Court, Fraser Road, Priory Business Park, Bedford MK44 3WH.

If you believe that any information we are holding on you is incorrect or incomplete, please write to or email us as soon as possible, at the above address.

We will promptly correct any information found to be incorrect.
